Safety Precautions

a. Bolts may only be in rifles on the firing mound or during trigger testing.

b. Scorers must ensure shooters perform the vigorous cycling test of rifle actions before commencing the first range each day and sign the score card to signify whether the test has been passed or failed. Failed vigorous cycling tests must immediately be brought to the attention of the Range Officer.

c. Scorers and check scorers must check that rifles are cleared before the shooter leaves the mound.

d. The onus of safety is on the shooter and the scorers.

Competitors please note: on completion of your shoot, and after stowing your equipment, you must return promptly to the mound to act as check scorer and then scorer, respectively.
