The Netta competition is great for the girls to play.

# Fun and fitness

THERE are many Netta players now joining in on Saturdays, which shows that word, is getting out about the fun and fitness to be gained on the netball courts.

It is not too late to join in the fun, so come along next weekend.

More girls are needed to join in the Netta game so, if you are in Years 4 and 5, please come down and join in the training from 10.30-11.30am, and then enjoy a game from noon until 1pm.

Scorers are reminded to note on the score sheet the shooter's name for each quarter and to mark misses and goals. If unsure, just ask. (This information is important for the end of year awards and helps verify the score for the game.)

All players should be in full uniform this week unless a letter to the committee/shed has been provided.

The girls competing in the Inter District South West Competition in Miles on Sunday, May 13, are wished the best of luck.

## Results

# Muckadilla matters

TOP Crows Nest shooter Ashley Bidgood mastered the challenging conditions at Muckadilla for a convincing win in the Western District Rifle Association Championship at the weekend.

Ashley took his third competition event for the season with an aggregate score of 345.29 over seven ranges with 11 shots on the last range.

A number of shooters who were in contention coming into the last long range on Monday, fell by the wayside with mirage and a fluky wind taking its toll.

The Muckadilla range has a fearsome reputation among shooters, which was well reflected in the scores.

Competitors gathered from across central and southern Queensland for the popular three-day event shot over distances of 300 to 900 yards.

Ashley finished six shots clear of Toowoomba's John Gilliland and Des Voght from North Arm who both finished on 339. John had a superior centre bull count of 30 to prevail over Des who shot 21.

Ipswich shooters Andrew Mayfield (337.27) and Ken Lobwein (336.20) finished fourth and fifth respectively.

Australian representative shooter Ben Picton from Mungindi made up a lot of ground after a horror start at 300m to place sixth with an aggregate 334.28.

He shot strongly on Sunday to win the mid-range aggregate over 500, 600 and 700 yards.

A 15-shot sweepstake on Saturday was won by David Brown from Crows Nest-Goombungee on 70.6 from Andrew Mayfield on 70.4 and Des Voght on 70.1.

Gold Coast shooter Terry Hanckel was a convincing winner of the B-grade competition with a 7-range aggregate score

of 340.24. Fellow Gold Coaster Mick Kyle took out the F Standard class aggregate with a score of 406.27.
